YOUR PERFECT DAY AT

Metherwood

I want to tell the story of your wedding day and capture what makes your day uniquely yours. Real emotions exactly as they happen, without having to pose. For me, wedding photography is about the genuine moments; the laughter, the tears, all of the love, and simply letting you enjoy your best day ever in an unobtrusive way.

EVERYTHING YOU'LL GET WHEN YOU BOOK ME

It's really important to find out exactly what you get when you book your photographer, so I've broken down everything you get when book me.

Relaxed photography

Natural, relaxed photography for as long as you'd like, with as much or as little direction as you'd like.

Edited photographs

Every image will be processed by me, so they are perfectly balanced, bringing out the best in every shot.

Your photos will be available on your own webspace as a beautiful online gallery. You can share with family and friends instantly, and order prints directly!

I have full public liability insurance. Venues often ask for my certificate, which I'm happy to send to them.

High resolution photos

A file transfer of high quality photographs with no watermark, and full usage rights, to do with as you please!

Guest Wishes

A quirky alternative to a guest book; hand written messages from your guests, with a quick snap of them, put together in a polaroid style with their words!

MORE THAN JUST A WEDDING DAY

Pre-shoots

Pre-wedding shoots are the perfect way to get used to the camera before the day, and create the perfect save-the-date cards! We spend half a day in your favourite location and create a really natural set of photos.

A typical pre-shoot is £350 and includes travel within 30 miles.

Keepsakes

After your wedding, we can order prints, canvases and thank you cards. I also offer gorgeous albums for the ultimate storytelling keepsake!

Albums can be added to any of my photography packages.

Kelly & Richard

From the minute we met Andy, we just knew he was meant to photograph our wedding. We loved the way he just captured the atmosphere so perfectly without feeling too staged, and this was exactly what we were looking for. Our photographs tell the story of our day beautifully and bring back amazing memories which we'll treasure forever.

Natural. Authentic. Emotional.
